

Charter of our CSR commitments

Committed to preserving the environment, our charter reflects our determination to combine hospitality and sustainability.

1

We educate our customers about eco-gestures

- Change of linen and sheets at the customer's request
- Donation of a water bottle and 2 water fountains at your disposal
- Vegetarian breakfast option

2

We're educating our team

- Staff training in new challenges and good practice
- Encouraging our teams to use bicycles and public transport

3

We favour local products

- Products from Ile-de-France
- Pastries from the Alexine bakery
- Vegetarian option

4

We recycle and separate our waste

- Glass, paper and plastic put aside for recycling.
- Battery recycling

5

We limit our energy consumption

- Hotel equipped with LEDs
- In-room access card that switches electricity on and off
- Presence sensors to avoid unnecessary lighting in public areas
- No minibar in rooms

6

We limit our water consumption

- Integrated aerator on taps to save water
- Volumetric dual flush toilet

7

We are limiting our plastic consumption

- Refillable glass water jug, 2 water coolers available
- Refillable soap dispenser
- Complimentary water bottle
- Wooden key card
